

Instructions on How to Cancel Your Chic Influencer Membership

We are sad to see you go!

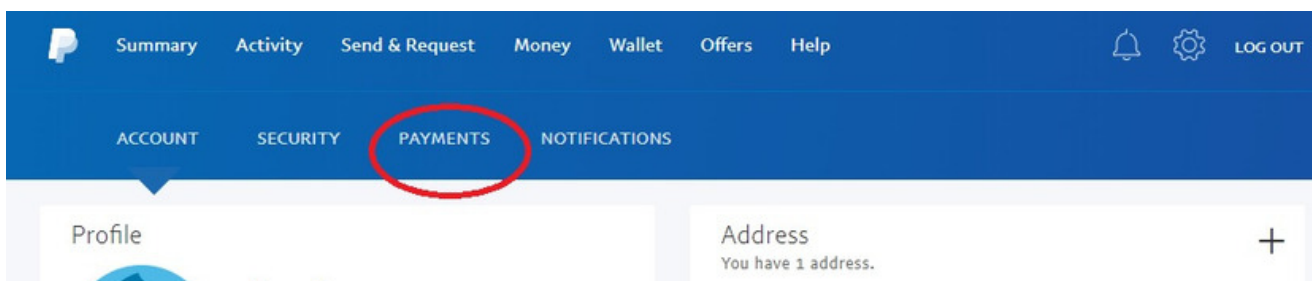

In order to cancel your Chic Influencer subscription, YOU must cancel it within Paypal. We are not able to do this for you.

You can cancel your subscription now. You will still have access to the Kajabi page and closed Facebook group for 30 days from your last payment.

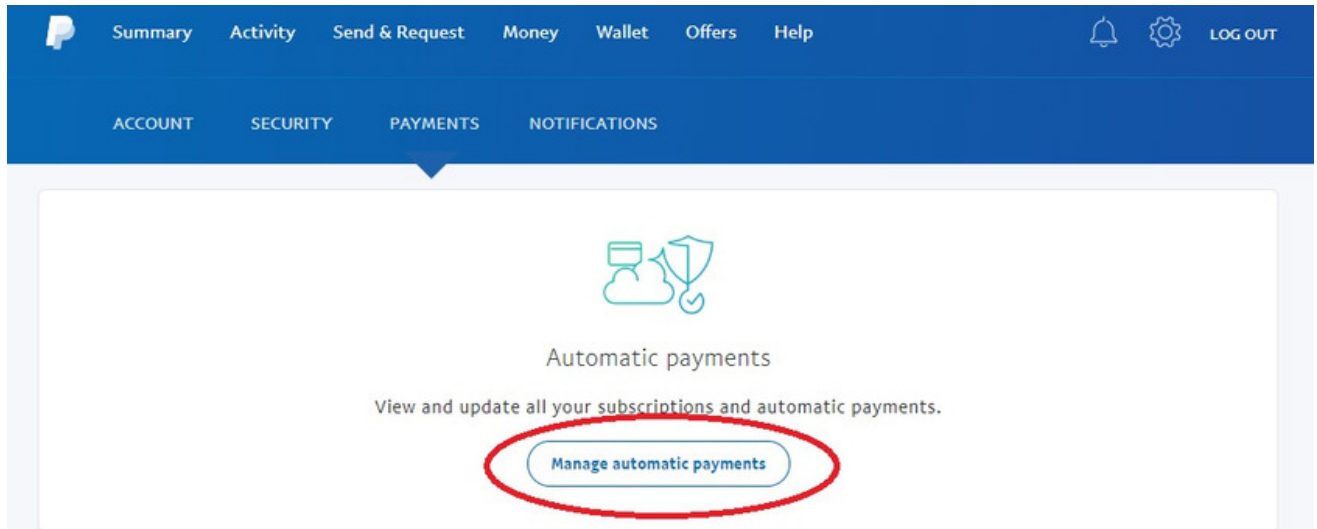

- 1. Log into the PayPal account you used to sign up.**
- 2. Once inside your PayPal account, click the 'Settings' gear in the upper right hand corner.**

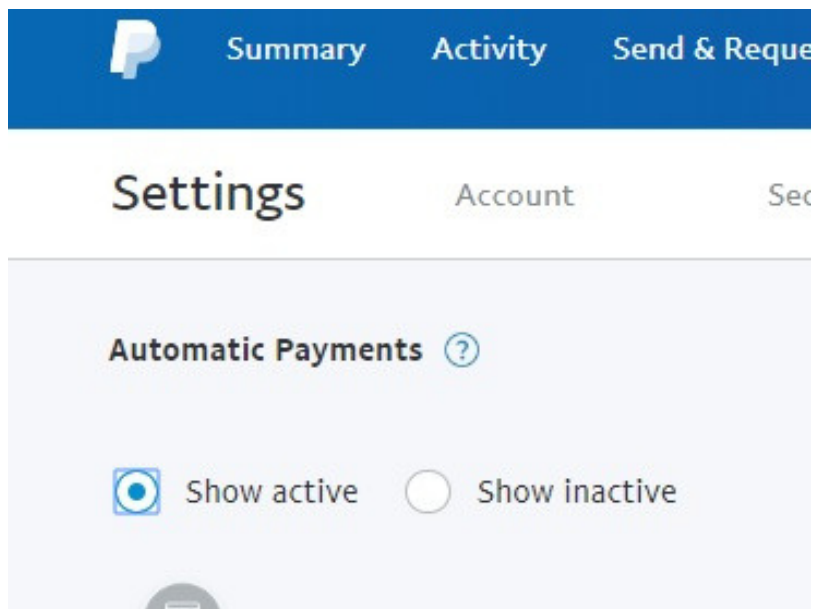

- 3. Click the "Payments" tab shown below:**

4. Click 'Manage Automatic Payments'

5. Find "Chic Influencer LLC" in the list of 'Active Automatic Payments' and click on it.

6. Click 'Cancel'

Status

ACTIVE

Cancel

7. Confirm

If you cancel now, you'll have to set up automatic payments again to pay with PayPal.

Cancel Automatic Payments

Keep automatic payments

- You will receive a confirmation email from PayPal that your subscription has been cancelled.
- You will have access to the Kajabi website and our closed Facebook group with included trainings until 30 days from your last payment.
- We would love to see you back! Feel free to rejoin at any time!
